INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In accordance with the provisions of 37 C.F.R. 1.56 and 37 C.F.R. 1.97-1.99, Applicant submits herewith a Form PTO-1449 listing references known to Applicant and requests that these references be made of record in the above identified application. Copies of the references listed are submitted herewith in accordance with 37 C.F.R. 1.98(a).

Except as provided below, in accordance with 37 C.F.R. § 1.97(e), it is certified that either (1) each item of information contained in the information disclosure statement was first cited in any communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this information disclosure statement, or (2) no item of information contained in the information disclosure statement was cited in a communication from a foreign patent office in a counterpart foreign patent application and no item of information contained in the information disclosure statement was known to any individual designated in 37 C.F.R. § 1.56(c) more than three months prior to the filing of this information disclosure statement.

The Japanese references were cited by the Japanese Patent Office on May 25, 2004 against counterpart Japanese Applications Nos. 2003-359383 and 2003-359384,

both of which claim the same priority Japanese patent application as the subject U.S. patent application.

The Japanese Patent Office asserts that each of JP 6-161385 and JP 4-161984 teaches an active matrix type light emitting display device, see Fig. 2 and paragraph 51 of JP 6-161385. The Japanese Patent Office also asserts that forming various devices on a same printed substrate is a design matter by ordinary skilled persons in the art.

U.S. Patent No. 5,400,050 is in the family of JP 06-161380. This U.S. Patent was not directly cited by the Japanese Patent Office, but is submitted herewith for consideration by the Examiner.

The requisite \$180 fee is enclosed.

The Commissioner is hereby authorized to charge fees under 37 C.F.R. §§1.16, 1.17, 1.20(a), 1.20(b), 1.20(c), and 1.20(d) (except the Issue Fee) which may be required now or hereafter, or credit any overpayment to Deposit Account No. 50-2280. A duplicate copy of this sheet is attached.

Respectfully submitted,
